

Manufacturers declaration

Design according Sound Engineering Practice (SEP)

According Article 4 paragraph 3 Pressure Equipment Directive (PED) 2014/68/EU

Equipment and assemblies have to be within the below limits:

Design Pressure	≤ 200 bar
Volume or Product of pressure and volume	≤ 1 Liter ≤ 25 bar • Liter

Such equipment shall not bear the CE-marking.

Herewith we declare that the products

HON 210	HON 905	HON 917
HON 213	HON 905/2	HON 919
HON 219	HON 910	HON 925
HON 832	HON 911a	HON 970
HON 835	HON 912	HON 970a
HON 846	HON 914	HON 980
HON 900	HON 915	HON 981
HON 901	HON 916	HON 983
HON 985		

are in accordance to the PED article 4 paragraph 3. All equipment stated above are designed, manufactured and tested according to sound engineering practice (SEP).
